Solution

The Wauwatosa School District selected Emily O'Connor to be the CPI Certified Instructor and to provide all staff and educators with CPI *Nonviolent Crisis Intervention*® training.

Results

Since integrating CPI training with PBIS, the Wauwatosa School District has experienced improvements for staff and for student success. Hallmarks include scores related to leadership and Implementation. O'Connor is delighted that this focus has helped foster the commitment to implement PBIS and CPI across the entire system as well as position Wauwatosa as a role model for PBIS efforts.

“When you estimate that one office referral takes a minimum of 10 minutes of the teacher’s time, 15 minutes for the student, 20 for the administrator—and that’s not even counting the time lost for the rest of the class. You can see that this training helps you regain hundreds of hours to dedicate to your core mission. Teachers can focus on actual teaching again.”
